COYOTE RESERVES TO PLAY MESA TEAM AT EASTLAKE SATURDAY

While the Coyote varsity rests in preparation for the biggest game of the year, that with the Indians Thanksgiving day afternoon, the Coyote Kitten will do battle with the Mesa high school first team at Eastlake park Saturday afternoon. The game will be called at 2 o'clock sharp.

A real battle is expected when these teams get together, for relative scores against a common foe indicate that they are about as evenly matched as two teams possible could be.

Two weeks ago, for example, the Mesa high squad was defeated by the Indian school second team by a margin of 15 points. A week later, the Phoenix high reserves went down to defeat before the same Indian team by a 12 point margin, the score being, Indians 14, Reserves 2.

Members of the varsity squad will be on the sidelines, cheering lustily for a Reserve victory over the Gateway City clan. However, Coach Robinson will use only second string men against the visitors as he does not wish to take a chance on getting any of his regulars injured just before the big Turkey Day battle.

The Coyote-Indian game Thanksgiving Day will probably be one of the most stubbornly contested engagements ever waged between teams representing the two schools, judging from performances against a common foe this season.

The Indians have one of the strongest teams in recent years. It is claimed, while the Coyotes are considered fully 25 per cent stronger than last year.

Both teams are looking forward to the Turkey Day battle as their most important of the year and a record-breaking crowd will be in attendance, it is expected. The game will probably be played at Eastlake park.

Dempsey to Meet Brennan at N. Y.

NEW YORK, Nov. 18.—Jack Dempsey, the world's heavyweight champion, will defend his title in a fifteen-round bout against Bill Brennan, the Chicago challenger, at Madison Square Garden here on Tuesday, December 14. This will be the first contest between big fellows to be decided in New York under the Walker law and was made possible by the action taken by the state boxing commission today during a joint meeting with the licensing committee. In a statement the commissioners gave out tonight they said they had decided a point had been reached in the operation of the new boxing law where they felt justified in permitting heavyweight boxing contests.

PINNING A BLUE RIBBON

In spite of all the ignorant moves made by magnates, we will still agree that baseball is the Great American Sport!

But that pedestal is reached from the standpoint of spectator interest—not from the number of people who actually take part. To every ball player there are several thousand fans—and then some!

What sport, then, leads "em all in the number of folks who play at it?

Football ranks along with baseball. Few take part but thousands look on. Golf is gaining in popularity year by year, but still a small percentage of sportsmen and sportswomen wield golf clubs. And you will seldom find spectators on a golf course unless a tournament is on.

Tennis has moved along rapidly in recent years too. But the percentage again is way down low.

Basketball runs along fairly steady but appeals mostly to students and not to the business world folks.

That leaves howling in the main list of sports. And we are inclined to pin the blue ribbon on the famous alley game.

All over the country bowling has taken a rapid slide to the foreground. Everybody in the family is rolling their own games. You'll find a waiting list at most any bowling alley you drop into.

And every season sees the starting of new bowling leagues. Girls have leagues of their own. Big concerns are backing their employees in entering the indoor pastime.

Yep, the crash of the wooden pins is probably music to more ears than the noise of any other game in the American line-up.

Rifle Club Plans Big Turkey Shoot at Range Sunday

An old-fashioned turkey shoot will be conducted by the Phoenix Rifle club at the government range at the end of East McDowell road, Sunday, starting at 9 o'clock sharp, according to an announcement by club officers yesterday. More than a hundred turkeys will be awarded, the announcement said.

The shoot will not be limited to members of the club, it was definitely decided yesterday, and shooters will be permitted to use any kind of rifles. Prizes will be awarded to shooters who make bull's eyes on "A" targets at 300 yards, off-hand.

DRIVER DIDN'T KEEP BARGAIN
LONDON—Jack Crawford is in jail here charged with stealing a motor lorry and a load of wool worth \$10,000. Crawford, it is held, persuaded the driver of the truck, owned by the government, to deliver the goods to him and then report they were stolen. The driver followed orders, but he wasn't a good liar, says the police, and they arrested Crawford.

LONDON—With a hammer carrying a label "Justice for the Disabled," Matthew J. Sculby, an ex-soldier, was arrested, holding a huge painting of "The Light of the World," in St. Paul's cathedral. "I did it on behalf of the ex-soldiers," explained he, non-explainingly. They are taking a look-see at the inside of his head.

HE MADE 'M; SHE'D CALL COPS
DENVER—Tom Annear, chief of the U. S. mint here, tendered a brand-new quarter in exchange for a wedge of pie at a cafe. "Hold on Mister," protested the waitress suspiciously. "This don't look good to me. It's bent." "Oh, it's all right," reassured Annear. "I made it myself." He tried to give her another coin, but she said he might have made that one, too, and would have called the cops if a mutual acquaintance hadn't identified Uncle Sam's money maker.

SAUER BACK AFTER TITLE MATCH WITH CHAMPION ECKLUND

Pete Sauer, the pride of Phoenix, came back to town yesterday and received a royal welcome from his many friends and admirers. Pete could be seen in various parts of the city surrounded by a group of wrestling fans, who listened with interest to his version of the tough battle he had with Clarence Ecklund in Nebraska.

While he lost to Ecklund in 2 hours 15 minutes, Pete did not feel the sting of defeat very keenly, as it was a toss-up between him and Ecklund right up to the last minute and both men were so exhausted when the first fall was decided that neither one was able to crawl out of the ring unassisted. Pete was vociferous in his declaration that he would wear the crown of light-heavyweight champion the next time he and Ecklund clashed.

This was the only match that Sauer participated in since leaving Phoenix and he carried some glowing press reports of his long-drawn-out battle with Ecklund, which were unanimous in the opinion that all Sauer lacked was a little more ring experience to make him the undisputed world's champion.

Pete expressed great joy at being back in Phoenix and stated that he was fit and ready to meet all legitimate light-heavyweights. Arrangements are now being made by Templin and Keen, the new wrestling matchmakers, to have a suitable opponent meet Sauer at an early date.

The coming match will be held under the auspices of the American Legion and Matchmakers Templin and Keen are hastening preparations to revive the wrestling game and give the sport-lovers of Phoenix better and cleaner wrestling than has been seen in Phoenix heretofore. Both Templin and Keen are well known business men of Phoenix, which augurs well for the future of wrestling here.

MAY LENGTHEN 1921 SCHEDULES TO 168 GAMES

NEW YORK, Nov. 18.—When the major leagues hold their annual meetings in February, they will consider a proposition to lengthen their schedules from 154 to 168 games, it was learned today.

Proponents of the plan argued that since many of the teams are allowed to play on Sunday on their home grounds, the season would not be unduly lengthened by the proposed change.

CUB STAR TO PLAY WITH LOCAL SQUAD AGAINST SUPERIOR

Charley Hollocher, famous shortstop of the Chicago National league team, and one of the best infielders in either big league, is the latest addition to the Phoenix Greys, according to an announcement by Manager Perry last night. Hollocher is spending the winter in Phoenix and while here will perform with the local club.

Hollocher will make his first appearance as a Phoenixian against the strong Superior club in a game at Eastlake park Sunday afternoon. Play will be called at 2:30 o'clock.

Superior now boasts the strongest team in Arizona, having recently acquired many of the star players from the Ray team, which established itself as the best club in Arizona last summer. In addition, the mine boys have invaded Pacific coast territory and acquired talent for the winter season or while the Coast league is idle.

Among the Coast players to be seen in action here is Salazar, one of the leading hurlers of the Coast league last

season. Ted Tonnaman, the peer of all Arizona backstops, will hold up the receiving end of the burden.

Incidentally, the Greys have been materially strengthened by the addition of Hollocher, who will be a tower on offense and defense. One of his biggest assets is his ability to lace out long hits, when they are most needed and during the 1918 campaign was the leading hitter of the senior major circuit. His defensive play will also aid the local club.

Duke Cross will start against the Superior gang Sunday. Manager Perry said last night. Pat Westfall will do the receiving. Lyall will be shifted from third base to the initial sack, to make room for the Cub player. The remainder of the team will be unchanged save for the appearance of Ed Scott in one of the outfield posts.

EGYPTIAN NOW A N. Y. MESSENGER BOY

NEW YORK—New York business men who have occasion to use a messenger boy have been asking a certain dark-haired and dark-eyed young man of distinctive appearance what his name is. And they have found out he is Adolph Tadoros Shukrulla, Egyptian, who refused to go to college in Egypt because of British rule, and is here working his way as a messenger boy. Shukrulla, by the way, means "Thanking God."
